PINC offers Member Discounts on Environmental & Worker's Safety Services

PINC and Environmental Consulting & Remediation Inc. offer a new service to provide an on-site environmental and safety program compliance solution for members at member-discounted rates.

ECR understands the unique needs of our industry and has tailored programs to meet those needs. Programs are available a la carte with a 3-hour minimum or turnkey program for a monthly fee.

Complimentary on-site audits are available.

ECR is based in Walnut Creek and employs 21 environmental and safety engineers.

ECR Provides:

- Environmental & Worker's Safety Services (SB198)
- Hazard Communication
- Fire Prevention and Emergency Response
- Waste Management Program
- Lockout / Tagout Program
- OSHA Compliance
- Ergonomic Compliance
- Environmental Program
- Air Quality Management Services
- Auditing Services & Initial Determinations

For more info, call Joe Souza at ECR at (800) 800-7644

PINC Exclusive Member Prices:

- Turnkey Programs — including quarterly plant visits
\$162 – \$405 per month
- Hourly Consulting (3-hr. minimum) \$162 per hour
